ANNOUNCEMENTS & PASTORAL OBSERVATIONS

1. A Reminder About Our COVID-19 Protocols: Since we adopted our COVID-19 Protocols, we recently had our first instance of a worshiper testing positive for COVID-19 after having worshiped in person. This was bound to happen and demonstrates the importance of each of us adhering to our COVID-19 protocols, which are still in effect. First, we are thankful that the person who tested positive notified the church so that we could make proper notifications. Second, this week's events make clear the importance of all worshipers registering and legibly filling in the sign-in information. Legible handwriting and email addresses are vital so that we can make proper notifications. Third, while we are learning to live with COVID-19, the pandemic is not over, surges are continuing to occur, and so physical distancing and mask wearing must continue. Some are pressing to return to in-person meetings and rehearsals. **In-person meetings and rehearsals are not permitted under our current COVID-19 Protocols except were approved by Pastor Nelson.** I will be revisiting our protocols with church leaders prior to our organization meeting. But until such time, **no in-person meetings and rehearsals should take place that have not been previously approved by the pastor.** Thank you for your cooperation as we try to keep everyone in our faith community safe. -- Pastor Nelson
